EMAIL ADDRESS: debby.gerritsen@radboudumc.nl

WEBLINK: <https://www.ncbi.nlm.nih.gov/pubmed/?term=Gerritsen+dl>

PRESENT POSITION (e.g. Director of): program leader Mental Health, department of primary and community care, Radboudumc

HIGHEST ACADEMIC QUALIFICATION (e.g. PhD, MD etc.): PhD

PROFILE OF MEMBER:

Gerritsen's research line regards mixed methods research into the improvement of mental wellbeing of frail elderly people with complex care needs by interventions that stimulate personal self management abilities. It has two foci: 1) development- intervention- and implementation-research regarding depression and challenging behavior of people receiving long term care at home or in institutions, and 2) applying patient self-management abilities for achieving and maintaining mental wellbeing and for adapting to changes and losses, by joint effort of patients, formal and informal caregivers.
