

CONCLUSIONS INTERDEM MEETING VIENNA, OCTOBER 4, 2012

The Vienna Interdem meeting led to collaborations on JPND research proposals and on a series of proposed articles on methodology. The articles will be entitled: Raising the standard of applied research in dementia care:

If you want to contribute to one of the proposals or articles please contact my secretary Alice van Eijk: A.vanEijk@iq.umcn.nl

Please send your intention of interest before November 19.
