16.15-16.30 General discussion	

Each presentation is 10 minutes, 5 minutes discussion

The business will have future collaboration as main topic. I invite all of you to consider which of your ongoing project are suitable for European collaboration. For instance, the implementation of occupational therapy has been submitted in the Netherlands, UK and Germany.

Notes of previous meeting will be sent later.

Looking forward to see you in Oslo

Myrra vernooij
