

INTERDEM MEMBERS – BRIEF CURRICULUM VITAE

NAME: Naaheed Mukadam

TITLE: Dr

PROFESIONAL GROUPING: Old age psychiatry

WORK ADDRESS: Division of Psychiatry, Maple house, 149 Tottenham Court Road, London W1T 7NF

TEL. WORK/WORK MOBILE: +44 2076799251

EMAIL ADDRESS: n.mukadam@ucl.ac.uk

WEBLINK: <https://iris.ucl.ac.uk/iris/browse/profile?upi=NMUKA20>

PRESENT POSITION (e.g. Director of): Associate Professor, UCL Division of Psychiatry. Consultant Psychiatrist, UCLH mental health liaison team

HIGHEST ACADEMIC QUALIFICATION (e.g. PhD, MD etc.): PhD

YEAR OF PHD QUALIFICATION: 2017

PROFILE OF MEMBER: Dr. Mukadam is an Alzheimer's Society senior research fellow at UCL Division of Psychiatry and a Consultant Psychiatrist in the UCLH Liaison Psychiatry team. Dr Mukadam is a member of The Lancet Standing Commission on Dementia Prevention, Intervention and Care. She is a member of the Clinical Leadership Group for the NHS England dementia clinical network and is co-lead of the Division of Psychiatry's ethnic diversity working group.

She is interested in inequalities in access to dementia services and has designed and tested an intervention to encourage earlier help-seeking for dementia in South Asian people in the UK. She is also interested in the epidemiology of dementia, particularly environmental risk factors, dementia prevention and how these may differ by ethnicity. Dr Mukadam is a member of the European Consortium on Cross-Cultural Neuropsychology (ECCroN) which is an international group that aims to improve the assessment of culturally and linguistically diverse individuals across Europe.

AREAS OF EXPERTISE: dementia, ethnic minority groups, equality

- Co-applicant
Title, amount: EASE: Evaluating Antidepressants for emotionalism after stroke, £1,883,401
5. NIHR PGfAR 2022-28
Co-applicant
Title, amount: TailorEd iNtervention for brain HeAlth aNd Cognitive Enrichment (ENHANCE), £2,939,023
 6. NIHR Three schools: career development fellowship 2022-24
PI
Title, amount: DEVELOP: DEmentia preVention and Economic anaLysis Of Policy change, £32,242
 7. DREAMS START 2022-24
Co-applicant
Title, amount: Cultural adaptation and widening participation for DREAMS START(Dementia RElAted Manual for Sleep; STrAtegies for RelaTives), £322,238.34
 8. UCL Global Engagement Fund 2022
PI
Title, amount: Investigating best practice in dementia assessment across diverse ethnic groups in Europe, £5000
 9. NIHR Three Schools: Dementia Research Programme 2022-24
Collaborator
Title, amount: Developing a sustainable platform to understand the primary care, public health and social care needs for dementia, with a focus on underserved populations, £320,347.10
 10. Velux Fonden, 2022-24
Collaborator
Title, amount: Timely diagnosis of dementia in minority groups in Europe (TIMING), £282,400
 11. Michael J Fox Foundation, 2022-23
Co-PI
Title, amount: London-Dhaka Parkinson's Cognition Study, \$257,389.95
 12. UCL Grand Challenges special initiative, 2020-21
Collaborator
Title, amount: "Ageing Playfully: Play and Games in Old Age", £5300
 13. Osaka University – UCL collaboration grant, 2020-21
Named researcher
Title, amount: Integrated researches on prevention, treatment and care for dementia - Formulation of OU-UCL international joint research center, £410,000
 14. Alzheimer's Society Senior Research Fellowship, 2020-24
PI: Naaheed Mukadam
Title, amount: Dementia in South Asians, £396,435
 15. ESRC Strategic Investments – international networking award, 2019
PI: Prof Gill Livingston. Named investigator – Naaheed Mukadam
Title, amount: International collaboration, MARQUE ES/L001780/1, £25,377
 16. UCLH Biomedical Research Centre Fellowship, 2018-19
PI: Naaheed Mukadam
Title, amount: Pilot data on ethnic differences in dementia risk, £155,926
 17. Economic and Social Research Council, 2018
PI – Professor Gill Livingston, Lead researcher at UCL – Naaheed Mukadam
Title, amount: The economic case for dementia prevention, £63,781

CURRENT RESEARCH INTERESTS/ONGOING PROJECT TITLE: 1. DEVELOP: DEmentia preVention and Economic anaLysis Of Policy change
2. Dementia in South Asians

HOW DO YOU INTEND TO CONTRIBUTE TO INTERDEM: I will collaborate with fellow members in carrying out relevant reviews of the literature and formalizing our aims and objectives. I will also collaborate to set up international studies to help improve diversity of research, particularly with regards to dementia interventions.
